2024-2025

The Illinois Wesleyan University Catalog is for informational purposes and is not a contract. It is published annually, as well as made available online at <https://www.iwu.edu/academics/catalog.html>. With this Catalog we attempt to present accurate information concerning Illinois Wesleyan University for the 2024-25 academic year. However, the University reserves the right at any time to change any of the provisions, statements, policies, curricula, regulations, tuition, or other fees as published here. Furthermore Illinois Wesleyan University reserves the right to disqualify students from enrollment, refuse readmission, and to withhold graduation as described in the relevant sections of the Catalog. Immediately applicable changes will be incorporated in the online version of the Catalog, and will appear in the next print version.

Illinois Wesleyan University, an independent, liberal arts university founded in 1850, is a leading liberal arts college in the Midwest. The university is committed to providing a high-quality education for all students, regardless of their background or financial resources. The university's mission is to prepare students for leadership in a global society. The university's curriculum is designed to provide students with a broad-based education in the liberal arts and sciences. The university's faculty is composed of highly qualified and experienced educators. The university's campus is a beautiful and historic setting. The university's location in Macon, Illinois, provides students with a unique and enriching experience. The university's commitment to excellence is reflected in its high academic standards and its dedication to student success. The university's history is a testament to its enduring legacy and its commitment to the future. The university's future is bright and full of promise. The university's success is a result of the hard work and dedication of its faculty, staff, and students. The university's future success will continue to be a result of the hard work and dedication of its faculty, staff, and students.

Illinois Wesleyan University began in 1850 as a non-denominational community college. The university's first president, Rev. John W. Alden, was a prominent educator and leader in the Methodist Church. The university's early years were marked by a strong commitment to liberal arts education and a focus on providing a high-quality education for all students. The university's growth and success over the years have been a result of its dedication to excellence and its commitment to the future. The university's future success will continue to be a result of the hard work and dedication of its faculty, staff, and students.

3. All applications for students who have applied for admission in January shall be submitted by November 1 for the fall semester. Students should also submit financial aid applications by November 1, and announcements of intent by June 15. Students applying for the spring semester should submit applications by December 15. Renewal of assistance from unaided students will be based on the availability of funds if the FAFSA is submitted after the above deadline dates.
4. A student may be eligible for need-based financial aid which normally covers academic year and half the amount credited to his/her account for the fall term, and half the amount credited for the spring term. Additionally, all merit-based need-based gift assistance awarded to students from the University, State of Federal awards may be credited directly to the Student Services Office account.
5. A student must be enrolled full time and maintain satisfactory academic progress in order to receive a scholarship grant award from the University. Awards will be paid in relation to University charges in the event of withdrawal during the academic year.
6. Students who hold a baccalaureate degree will not be eligible for aid.
7. Students must be enrolled for a minimum load of 3

Student Employment

The Student Employment Office assists in employment opportunities. Priority consideration is given to students who demonstrate a financial need through the Free Application for Federal Student Aid.

The University participates in the Federal College Work-Study Program and has local need-based financial assistance. The awarding of work-study is based on the availability of Federal funds and satisfactory academic progress.

Loan Funds

The Financial Aid Office has information about Federal, University and private loan funds. These programs make possible local financing of college expenses and contribute to the importance of assistance. Students who make application for a loan from any of the available funds listed below must complete the FAFSA in accordance with the terms and conditions of the loan agreement. (n) 7/1/25 1 Tm (.) Tj EMC ET BT 9/2) in EMC 511 v.2

Standards for Satisfactory Academic Progress

Federal and State financial aid programs mandate that Illinois Wesleyan maintains standards for determining the satisfactory academic progress of its students receiving such aid. These standards are distinct from those used to determine good or honorable academic standing, or eligibility for attendance at the University.

Each academic year a student enrolled in the day or distance mode must complete a minimum number of credits which will indicate satisfactory progress toward completion of all degree requirements in five academic years or six for full-time enrollment.

While these Federal and State standards allow for completion of degree requirements for an Illinois Wesleyan University student to complete his or her degree in four and a half academic years, we are designed to meet this goal.

A student needs to successfully complete 75% of the credits in his or her attempt to meet Satisfactory Academic Progress to receive financial aid in the next academic year. In addition, these requirements should have no less than a 1.8 GPA after the first year and a 2.0 GPA after the second year.

In extraordinary circumstances financial aid may be continued even though the above standards have not been met. This requires that the student demonstrate in a written statement that he or she had a physical or mental disability that prevented him or her from making satisfactory academic progress. Further information on his or her progress may be obtained by contacting the University Financial Aid Office. More detailed information can be found at this link: www.iwu.edu/financial-aid/consumer-information.html#standards

in a University program. No aid is available for independently arranged of campus that have not been approved by the University.

Excess may be applied for a fee waiver (e.g., Old University Pembroke College program). Additionally, an appeal may be limited to the University Financial Aid Office if the student is academically eligible for an Illinois Wesleyan summer term.

Illinois Wesleyan University will be charged for affiliated study programs. The program's higher education will be charged accordingly.

While Illinois Wesleyan does not provide and IWU assistance (language) for May/Summer only, it can provide educational assistance. Items are charged. Additionally, students qualify for Pell grants and to enroll in the May/Summer term may be eligible for a summer Pell grant. They are encouraged to inquire at the Financial Aid Office.

Veterans Education Benefits

If you are a veteran of U.S. military service, an eligible active-duty member of the military, or an eligible dependent, you may be eligible for Veterans Affairs (VA) Educational Benefits. VA Educational Benefits include, but are not limited to:

- The Post-9/11 GI Bill (Yellow Ribbon Program)
- The Montgomery GI Bill (Active Duty Chapter 30)
- The Student and Dependent Educational Assistance Program (Chapter 35)

If you are not sure which educational benefits you qualify for, contact the Veterans Affairs at va.gov.

VA Educational Benefits do not include the Illinois Veteran Grant (IVG), Illinois National Guard Grant Program (ING), or the Illinois MIA/POW Scholarship Program. These programs are only available at Illinois public institutions.

HOW TO APPLY FOR VETERAN EDUCATION BENEFITS

To apply for VA benefits, you must complete the application. Once you have done this, the VA will send you a Certificate of Eligibility for Veterans Affairs Educational Program. Depending on which chapter you are eligible for, you must submit a copy of the Certificate of Eligibility to the Office of Financial Aid.

POST 9-11 GI BILL/YELLOW RIBBON PROGRAM

Illinois Wesleyan University is a participant in the Yellow Ribbon Program. Yellow Ribbon recipients will have their maximum Post-9/11 benefits paid by the VA. The remaining amount of the cost of tuition and fees will be covered by the Yellow Ribbon Program, which is currently between Illinois Wesleyan University and the Veterans Affairs.

VETERAN AFFAIRS PENDING PAYMENT COMPLIANCE

Students either Post-9/11 GI Bill (Chapter 33) or Veteran Readiness and Employment (Ch. 31) and awaiting pending payment from the United States Department of Veterans Affairs will not have any of the following measures taken against them:

1. Will not be penalized for enrolling/registrating;
2. Will not have a late fee assessed on their billing statement;
3. Will not be required to escalate or additional funding while waiting for their payment.

4. Will not be denied access to any college resources available to all students who pay their tuition/fees at the college. . College
resources include access to class libraries and other facilities .

To qualify, students may be asked to provide their Certificate of Eligibility (from the VA) by the first day of class and may be certified; and additional information if needed to complete the certification as described in the initial policies.

GI Bill is a benefit provided to the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at www.benefits.va.gov/gibill.

The Academic Year

The academic year at Illinois Wesleyan consists of four semesters: fall, winter, spring, and summer. The fall semester begins in late August and ends in mid-December. The winter semester begins in early January and concludes with commencement in the first week of May. Summer Term includes a non-long session in May/June, and a long session in June/July. The normal academic calendar is as follows:

GRADUATION REQUIREMENTS

Several requirements must be met to earn a degree at Illinois Wesleyan University. These requirements are described below. All of the requirements must be met to earn a degree. A candidate for a degree may choose to fulfill the academic requirements in any of the University Catalogs during the attendance at the University. If, however, the student has been absent from the University, the student must fulfill the requirements during the period of final attendance at the University.

It is the responsibility of each student to complete all the graduation requirements described herein. Academic advisors do not have the ability to recommend a change, alter, or waive graduation requirements. Therefore, students should make special arrangements with their advisors when making satisfactory completion of all Graduation Requirements, giving special attention to the Shared Curriculum requirements (item 2 below).

1. Completion of a minimum number of course units and courses as specified by the degree program.

A minimum number of units and courses must be completed for each degree program offered by the University. The minimums are as follows:

Bachelor of Arts	32 units and 32 courses
Bachelor of Science	32 units and 32 courses
Bachelor of Science in Nursing	32 units and 32 courses
Bachelor of Fine Arts	32 units and 32 courses
Bachelor of Music	35 units
Bachelor of Music Education	36 units

The curriculum and experiences of the transfer student are described in the catalog, page 63 of this Catalog.

Degrees that require an equal number of units and courses (e.g., Bachelor of Arts/Bachelor of Science, etc.) courses that are primarily in the same content area as the degree. Students may fulfill a requirement (< 0.66 unit) credit in a maximum of 2 lecture courses (e.g., Finance, 1.5 unit class can add up to 2 lecture credits) or 1.5 unit class in only one of the requirements. No class can count more than 1 unit, regardless of its units. Finance, a class

lv1 .25 until completion. Students majoring in Music and Theatre Arts may not complete the above number of units until graduation.

2. Completion of the Shared Curriculum.

All students complete the Shared Curriculum, as described in the Shared Curriculum chapter of his Catalog. The Shared Curriculum of the College of Liberal Arts is the standard for the University. Students should not be advised in the Shared Curriculum requirements for the general studies and the education certificate program in the College of Liberal Arts. The Shared Curriculum requirements are listed by the College of Liberal Arts and by each general studies region in a table in the Shared Curriculum section of his Catalog.

No student may complete more than one General Education requirement. However, a single course may fulfill a General Education category and an Encouraging Diversity/Writing Intensive flag. Students may fulfill no more than 2 General Education requirements through a single subject (e.g., HIST).

3. Completion of a major.

All students complete a shared departmental or interdisciplinary major area of concentration. Majors are described in his Catalog in the departmental and shared listings. Within the College of Liberal Arts, the major must be completed a minimum of nine ten courses. These numbers are higher for degrees offered in the general studies where the appropriate section of the Catalog for this information. Students are required to take a writing intensive course in their major area of study.

A course may fulfill shared curriculum, major and/or minor requirements. A total of six courses may be completed in any of the following

7. A minimum of two years and 16 course units and courses in residence.

All degree candidates must complete a minimum of two and 16 course units and courses in residence. An exception to this graduation requirement may be made for students who matriculate at Illinois Wesleyan University following the completion of their baccalaureate degree from another institution with fewer than two and 16 course units and courses in residence if they have completed here at IWU general education and major requirements. For more information on residency requirements, contact the Registrar's Office, Credit Work Evaluation, Illinois Wesleyan University, beginning on page 56. In the instance of a student transferring to Illinois Wesleyan University, their 4-year baccalaureate degree must be completed in 22 or more credit units. However, the student must complete the equivalent of the general education program at the Illinois Wesleyan University and fulfill graduation requirements.

8. Commencement Participation & Graduation Dates

Illinois Wesleyan University has one commencement ceremony which takes place after the end of the spring semester. The student is required to participate in the commencement ceremony. By the end of the spring term, all students for the degree or certificate programs must complete December graduation or the program can also participate.

If you are enrolled in the Summer Term after commencement, you may participate in the ceremony (having met the criteria above), but will not officially graduate or receive diploma until the Summer Term is over.

In addition, only full-time students in the program must be completed and tied in by the end of the term to be considered for graduation in that term.

A

Students should select a major field of concentration before the end of their first semester. This decision may be made earlier. Since applications for admission are considered on a first-come, first-served basis, and the applicant must meet special requirements, it is necessary to be accepted in these areas to make an additional declaration of a major. Please refer to the official election of an academic major each semester. An academic advisor is selected for general abilities in the area of advising and familiarity with academic regulations.

A student may officially declare a major field by completing the necessary forms in the Registrar's Office. At this time, the student should discuss the choice with the advisor and the faculty advisor in that area. Students may also declare a major field of concentration among the departmental circles (see Special Interdisciplinary Major and Minor).

Students completing a Social Contract Minor must follow the same procedures and guidelines of Social Contract Majors . Because of the limited number of courses (5-7), special consideration must be given to the choices of the program of study .

An optional minor is a field of study in a field other than the major . The student may engage in a minor in a second field that has not occurred in the Shared Curriculum . Specific requirements for minors can be found in the department and school catalogs . The following general guidelines apply :

1. A minor consists of 5-7 courses designated by the department/school program area .

2. A minimum grade percentage of 20.0 is required for the credit of a course in the minor.
3. A minimum of six (6) credit hours is required for the minor. (numbered 300 or higher)
4. A course may count for Shaded Curriculum, major and/or minor requirements. A student may not be credited for any of the following combinations (major/major/minor/minor/minor).
5. No course taken under the credit condition (see page 50) may count for a minor.

Many Illinois Wesleyan students enhance their education by participating in internships. Internships allow students to gain practical experience in a field of their career interest. Students can take many forms of part-time, paid or unpaid, for academic credit or non-credit experience.

The Hat Career Center facilitates campus and community internships for Illinois Wesleyan students and provides insight into the academic internship program. Visit the Hat Career Center website for more information about the internship program, as well as the final guidelines, procedures and credit forms for internships for academic credit.

Internships for Academic Credit

Many departments offer an internship to receive academic credit for internships. There are also University (UNIV) internships available for students who do not offer an internship. Students can also receive academic credit for off-campus official internships that adhere to the faculty guidelines. The guidelines require a minimum of 160 on-site hours for one credit (see below for variable credit options). Students are also required to complete additional academic work in addition to the on-site hours. For specific requirements see the Guidelines for Internship Credit found on the Hat Career Center website: <https://www.iwu.edu/career-center/internships/>

Registration Procedures Internship Enrollment

Students must meet with the instructor for the internship to identify the learning goals, complete the Internship Learning Contract and return it to the Hat Career Center Minor Advisor, Welcome Center. (Learning Contract is available in the Hat Career Center on the Career Center website.) Signatures for the internship and internship contract are required on the Learning Contract. It must be submitted before the last day to add a class deadline for fall, spring or Summer Term credit. Credit can only be earned for the term in which the majority of the internship hours are completed.

Students have five days of the Summer Internship Season to add or drop a summer internship for academic credit. The last day to drop (by a W) for a summer internship is 7 weeks after the beginning of the Summer Internship Season. Specific add, drop and withdrawal dates are published in the

- Employers engage interns in the duties and responsibilities in the Internship Learning Contract and complete an evaluation of the student at the end of the internship.
- Faculty/Institutional Staff (when appropriate) advise complete the Internship Learning Contract assignments at the college level of the internship and consult the Guidelines for Internship Completed for Academic Credit and Faculty Manual for Internship available through the Hat Career Center for best practices in advising an internship.

Internship Numbering for Academic Credit

Academic internships may be offered at three levels as determined by the school, department program and the academic program assigned by faculty/institutional staff advisors. 2. As permitted under University policies, students may transfer credit to IWU from approved non-IWU study abroad programs. However, if before the start of the program the U.S. Department of State issues a Level 3 or Level 4 advisory for the location in which a student plans to travel, her or he will be prohibited and no credit will be granted unless an appeal is filed and an exemption granted by the Provost (his/her designee). The student is responsible for determining whether a Level 3 or Level 4 advisory has been issued for the location in which a student plans to study.
3. IWU community members participating in University-sponsored travel for research or other study abroad (e.g., research, conference attendance, international athletic competition, etc.) are exempt. If before the start of the U.S. Department of State issues a Level 3 or Level 4 advisory for the location in which travel is planned, travel her or he will be prohibited and no University funds will be provided unless an appeal is filed and an exemption granted by the Provost (his/her designee).
4. The University reserves the right to take the following actions in its sole discretion, in the event a Level 3 or Level 4 Travel Advisory is issued or changed before, during, or after an IWU community member's visit to the affected location:
 - Suspend all IWU programs in the location.
 - Revoke the completion of a Special Release & Assumption of Risk Agreement and, if under the age of 18, consent from parents or guardians is determined in the location.
 - Withhold credit for the location on any non-IWU programs.
 - Decline to provide funding or financial aid for activities in the location.
 - Revoke the faculty and staff in the location.

All decisions described above shall be made by the Provost (his/her designee), in consultation with the Director of the International Office and legal counsel. Please contact the International Office if you have any concerns about this policy.

Anyone participating in University-sponsored international travel must register their travel plans by completing the IWU Travel Registry. The IWU Travel Registry can be found at www.iwu.edu.

All pre-arrival orientation and the maintenance and distribution of student academic records are administered by the Office of the Registrar. All students must complete their academic admission registration for each coming term. An advising period is scheduled each semester and can be found on the academic calendar. New students matriculating in the fall register during Rising Tides and Transfer Student Orientation in the summer. New students matriculating in the spring semester will attend orientation in the advising semester a date designated in the academic calendar typically in January. CREDIT

The University awards credit for DEGREE credit which consists of the minimum academic requirements for a degree, and NON-DEGREE credit which is awarded in areas such as physical education and music ensembles (for non-music majors). As a general rule, all courses for degree credit are awarded credit unless specifically noted otherwise in the Catalog or Program of Classes, regardless of the level of instruction. The academic department where the course is offered determines the credit awarded. For example, a course offered in the fall semester 1995 is awarded at 3.5 semester hours or 2.25 units if a course is offered in the fall semester 1995 is equivalent to 4 semester hours or 2.5 units. Non-degree credit is awarded in the same manner and may be earned for activities (for example, physical education activities), but does not affect the student's grade point average and does not count toward the accumulation of the minimum credit required for a degree.

Partial credit cannot be given for partial completion of assignments as indicated in the listings. Some courses offered on a credit/no credit basis. Ideally, all courses should make approximately the same total demands on a student's time: an entire week per class (including scheduled class meeting time and time needed to complete all assignments) as a rule of thumb. This ideal is an approximation for a "typical average" student. Actual time spent on any given course will inevitably vary according to the student's ability, and the amount of time spent on the given subject matter.

While the University schedule of classes is designed to provide for the best meeting time possible for each course, students may design courses which involve less class time and potentially more homework or more class time in a more flexible time for other activities. As examples of the flexibility available in the program, one science class might be a lecture class and lab session during a week, and one in the humanities/social sciences might be a lecture class meeting in a format of individual conferences during one or more weeks of the term.

COURSE LOAD

NORMAL LOAD: Students in the College of Liberal Arts and Sciences, Arts and Theatre Administration may not take more than four units per semester in the program indicated in the

FULL-TIME STUDENTS: Students in the following categories are entitled

Experimental courses may be offered by the faculty as they see fit. New experimental courses are numbered 175-275-375. Because they are offered on an experimental basis, they are not listed in the Catalog.

The Summer Term is a period of time when their fall and spring schedules are in effect, and the courses are offered. Students may gain new experiences and facilities in the second major and minor and fulfill graduation requirements. Although fulfilling Shared Catalog criteria are frequently offered during summer, the specific Shared Catalog courses will be offered in a specific summer. Students are advised to make early plans for their academic requirements during the fall and spring semesters.

Students who are in the process of graduation and are enrolled in summer courses will fulfill their requirements in the Commencement ceremony. Students completing requirements in the Summer Term will have their degrees awarded and receive their diploma at the end of August. Students who have their degrees conferred in August may register for summer courses on a degree-seeking basis.

Summer Term Travel Courses

Travel courses are offered by the faculty. Shared Summer Term travel courses are each course is determined by length and type of travel and destination. For information about individual travel courses, visit the www.iwu.edu website. Students are required to complete a Summer Term Travel Course Application (application available at www.iwu.edu) and receive permission from the instructor for the international travel course.

Summer Term Tuition and Fee Policies

Some summer offerings are a course basis in addition to the standard Summer Term tuition. Course fees are used for related field trips, transportation, heat tickets, meals, etc. See the center-based registration form for specific course fee information.

There will be no funds for Summer Term additional individual course fees after midnight on the last day of the class for the session. Students enrolled in any Summer Term course (including but not limited to physical education courses) and directed classes after 12:00 midnight on the last day of the class will be charged Summer Term tuition and any additional course fees.

Financial Aid Policies for Summer Term

While Illinois Wesleyan does not offer any Financial Aid (F.A.) for Summer Term, the school does offer educational loans (PLUS (Federal Parent Loan) and Direct Unsubsidized Loans). Additionally, Pell-eligible students may receive half-time scholarship in the amount of \$1,000. Illinois Wesleyan summer courses that fulfill degree requirements should be applied for financial aid at the office of the Registrar.

Only courses graded below "C-" may be repeated . All grades for any
course taken, whether repeated or not, and whether taken at IWU or not
remain permanently on the IWU transcript and will be the grade and credit
earned the last time the course was taken may be used in the calculation of
the GPA and credit earned . Only grades earned at IWU, including off-campus
and affiliated off-campus programs, will be used to calculate the GPA . Therefore,
repeating a course elsewhere may earn an IWU grade and credit for the
GPA calculation, but transfer-in grades and credits will not be included in
the calculation .

When a student elects this option, the final grade in the course will be
either Credit or No Credit . Instructors notified and registered grades
are limited to the Registrar's office according to the uniform
standard of Credit for grades of "C-" and above, and No Credit for grades of
"D" or "F" .

In order to be eligible to take a course Credit or No Credit a student must
have completed eight courses in general standing (GPA of 2.0 or
above) . The Credit or No Credit option may be elected only by declaring his
intention in the Office of the Registrar during the first class day of the
fall and spring semesters and may not be done on the web-based registration
system . The option may be dropped in the Registrar's office during
the semester .

Not more than one Credit or No Credit option may be taken in a single term,
and not more than one such course may be taken by an individual student at
Illinois Wesleyan . Not a course originally taken for a grade may be taken for
Credit or No Credit .

When departments offer credit No Credit only the policies apply to the selected Credit/No Credit option only.

C. A.

The Registrar may cancel the registration of any student for failure to attend at the beginning of a term. Attendance policies are established by individual faculty members for each class and here may vary in content. Students may refer to the class attendance policy posted in the syllabus for that class. However, in general, students are expected to attend class regularly. In cases of unavoidable absence, it is the student's responsibility to inform the faculty member of the cause. At the request of a student the Adult Health Services may be able to provide the faculty member with medical documentation. It is also the student's responsibility to inform faculty members of any absences because of University and campus activities. While University and non-academic activities which conflict with class schedules do not automatically take precedence over regular class activities, faculty members are expected to exercise reasonable flexibility in accommodating students involved in such activities.

When a student misses class repeatedly the instructor is encouraged to refer the student to the Dean of Students who is a primary and ongoing counseling resource. When a student is absent from class in excess of the absences permitted by the policy the instructor has the final judgement as to whether the student successfully completed the course. The instructor may request that the student be excused from further class attendance. Unless the student can demonstrate a compelling reason to remain in the course his or her status will be taken by the Registrar.

Credit at Illinois Wesleyan University is awarded on the basis of criteria of subject matter competence . The University does not use a uniform average of percentage scores in determining letter grades nor does it use a predetermined percentage of letter grades in the average categories

A student's cumulative grade average (GPA) is based on grades earned at Illinois Wesleyan University . It is determined by dividing the total number of earned credits by the total number of graded credits which the student has been enrolled at IWU, including off-campus and affiliated study abroad programs . Student academic performance is evaluated according to the following system of grade and quality designations

Only letter grades count in the GPA,

- A, A- Credit of high quality
- B+, B, B- Credit of good quality
- C+, C Credit of acceptable but declining quality
- C- Credit of marginal quality
- D Credit of low quality
- F Failed

CR - Credit indicating credit earned in computing grade percentage

Only courses taken at institutions accredited by the appropriate regional accrediting association may be transferred for credit. Illinois Wesleyan University may accept up to 16 credit hours earned at another institution for credit toward the Illinois Wesleyan University degree. An exception may be made for students who have completed the Illinois Wesleyan University degree requirements at another institution. Such students may graduate in fewer than two years and 16 credit hours if they have completed here previously the minimum number of hours required for the Illinois Wesleyan University degree. All eligible students may be granted credit for a degree for which they have completed a minimum of eight credit hours at another institution before graduating from Illinois Wesleyan University.

Not more than 50% of a major minor or certificate may be taken elsewhere. An exception may be made for students who have completed the Illinois Wesleyan University degree requirements at another institution. In such cases, all credit for a major minor or certificate must be determined by the University and may be granted for a degree completed at Illinois Wesleyan University.

Any course that Illinois Wesleyan University considers to be less than .66 credit hours will not satisfy a Shared Curriculum, major minor or certificate requirement.

Courses with grades below a "C" will not transfer to Illinois Wesleyan University. Pass/fail graded courses will not be accepted, except from institutions that define pass/c or better. Illinois Wesleyan University does not award transfer credit for collegiate coursework at the college level, College-Level Examination Program (CLEP) exams, Prior Learning Assessments (PLA), or coursework earned in a non-traditional setting (e.g. air conditioning, automotive technology, clinical management, legal studies, fashion design, child care, electronics and medical office assistant). Credits earned from regionally accredited institutions in disciplines other than those in the IWU curriculum can be accepted for elective and non-credit and may meet Shared Curriculum requirements.

Credits awarded by examination may be granted for students who generally address herein. Specific questions on the transferability of credits awarded by examination should be directed to the Registrar.

All degree candidates must complete a minimum of 2 years and 16 credit hours and maintain evidence.

For incoming transfer students, a course credit earned in another institution may be accepted for credit at IWU if the course meets the following criteria:

- 1. The course is a college-level course.
- 2. The course is a required course for the student's program of study.
- 3. The course is a general education requirement.
- 4. The course is a degree requirement.
- 5. The course is a prerequisite for a course in the student's program of study.
- 6. The course is a corequisite for a course in the student's program of study.
- 7. The course is a substitute for a course in the student's program of study.
- 8. The course is a replacement for a course in the student's program of study.
- 9. The course is a waiver of a course in the student's program of study.
- 10. The course is a credit by exam.
- 11. The course is a credit by portfolio.
- 12. The course is a credit by challenge.
- 13. The course is a credit by prior learning.
- 14. The course is a credit by transfer.
- 15. The course is a credit by articulation.
- 16. The course is a credit by dual enrollment.
- 17. The course is a credit by advanced placement.
- 18. The course is a credit by international baccalaureate.
- 19. The course is a credit by military service.
- 20. The course is a credit by work experience.
- 21. The course is a credit by life experience.
- 22. The course is a credit by other means.

The Registrar's Office will review all requests for credit transfer and make a determination on whether the course meets the criteria for credit transfer. If the course is accepted for credit, the Registrar's Office will issue a credit transfer agreement. The student must complete the credit transfer agreement and submit it to the Registrar's Office. The Registrar's Office will then update the student's record to reflect the credit transfer.

C. Credit Transfer

Illinois Wesleyan University recognizes college credit earned in high school if the following conditions are satisfied:

1. An official transcript has been sent directly from the credit granting institution to higher education.
2. All transfer courses have been listed in the Catalogue and meet the requirements of the Transfer Credit Examination and Transfer Credit Catalogue.

B. Credit Transfer

IWU accepts the Seal of Biliteracy for the second language. The Seal of Biliteracy is a national recognition of a student's proficiency in a second language. Credit for the Seal is earned automatically upon successful completion of the Seal of Biliteracy exam. The Seal of Biliteracy is an official final high school transcript. The Seal of Biliteracy will receive one credit (4 semester hours) and will meet the IWU Seal of Biliteracy second language requirement.

To facilitate transfer, Illinois Wesleyan University has joined the Illinois Articulation Initiative (IAI; www.itransfer.org) as a receiving institution. This guarantees that students who have completed the General Education Core Curriculum (GECC) at any participating institution will have satisfied the General Education requirements at Illinois Wesleyan University. This initiative is in effect for students who began college during or after summer 1998.

All transfer students (including those transferring in via the IAI GECC package) must have a 2.00 cumulative grade average for all college work and for all work completed at Illinois Wesleyan, in order to qualify for a undergraduate degree. Course grades of less than C will not be accepted for transfer.

Transfer students who have completed the IAI will be required to satisfy the general education requirements (including the requirement for the Seal of Biliteracy: Encouraging Diversity and Physical Education).
